Prayer for Persecuted Christians and Their Persecutors

O Jesus Christ, inner light, we bring before you our persecuted sisters and brothers, martyrs.

In our world, many of them suffer simply because they profess their love for you.

They also suffer when, in their fight for social justice, they are threatened with death or killed, simply because they work to help the afflicted regain their human dignity.

Thank you, Lord, for the treasure they are to the Church.

Finally, Lord, we entrust to you the hearts of the persecutors. We hope that one day, the light of your love will shine within them and spark a fire of conversion that draws them to the almighty power of your love.

Amen.
